

IN A PIT WITH A LION ON A SNOWY DAY

2 Samuel 23:20-21

What if the life you really want, and the future God wants for you is hiding right now in your biggest problem, your worst failure, your greatest fear? Today we look at how to survive and thrive when opportunity roars.

1. How big is your God?
2. Is He big enough to do anything, or are there limits(in your mind) to what God can do?
3. What could you do today to begin to live with a bigger, better view of God?
4. One of the greatest things that can happen to you is for your fear to become a reality. Is that true?
5. What fear seems most overwhelming to you today?
6. Circumstances we complain about become chains that imprison us. Worship is the best way to reframe a problem. Name one area in your life where you could begin right away to replace complaining with worship.
7. Deuteronomy 29:29 ("*There are secrets the Lord God has not revealed to us*") NLT
What questions do you have for God?
8. What could you do to help yourself accept that they may not get answered in your lifetime?
